

# NEW HAVEN SCHOLARSHIP FUND

Spring 2019

## IN LOVING MEMORY.....

**“GIVING IS NOT JUST ABOUT MAKING A DONATION, IT’S ABOUT MAKING A DIFFERENCE” - KATHY CALVIN**

A community organization, the New Haven Scholarship Fund is grateful for the many donors that have supported its mission of providing scholarships to eligible New Haven students over the past 60 years. Our supporters have donated time, energy and/or financial resources simply to make a difference in a young persons life. You, are donors are our unsung heroes and we cannot ever thank you enough! We would like to acknowledge some of those heroes who we have lost over the past couple of months. While you may no longer physically be with us, your legacy will continue through the students whose lives you have enriched.

**George Robert Chamberlin and his wife Anne Rochette Chamberlin** were deeply devoted to encouraging and supporting the hopes and dreams of others. Their love of the Arts, value placed on the importance of education, and belief in the equality of the human spirit, defined a set of core values that helped so many people. George, an Army veteran and later Media Vice President, who was an accomplished photographer and loved playing chess, and Anne, an Administrative Assistant, who loved the ballet, theatre, and fashion design, both recognized that the path to a better tomorrow was dependent on the opportunities provided to young people today. This truly caring couple strived to always step forward and make a difference in the future of others; this is their legacy.

**Cassandra D. Floyd Cross** - Raised in New Haven CT, Cassandra was loved by many. A 30 year employee of the Community Action Agency in New Haven, she made an indelible impact in the lives of many throughout her years there. She was also a 40 year member of the Elm City Club and served as secretary of the New Haven Scholarship fund where she worked tirelessly to help youth as they pursued their educational goals.

In what has become an annual tradition, the staff at New Haven's Metropolitan Business Academy has donated the proceeds of their 2018 holiday party raffle to the New Haven Scholarship Fund. "We are happy to be able to provide some financial support to The New Haven Scholarship Fund to provide scholarships to eligible New Haven students. It is particularly satisfying that 100% of donations go to New Haven students." We know how much support the MBA staff give to their students every day. This donation to the Scholarship Fund is another very meaningful way to encourage their students' dreams and aspirations. Thank you to the MBA staff!

**THE NEW HAVEN SCHOLARSHIP FUND CELEBRATES  
TEACHER JACK PAULISHEN**

Jack Paulishen, a teacher at Hillhouse High School has taught Civics and AP Government since 2002. In honor of his long list of achievements with students and his work in the community, Hillhouse has recently dedicated the library's multimedia room in his name. He has made a huge difference in the lives of New Haven's young people and his coworkers and his community wanted him to know it before it was too late to tell him. Since 1994 he has been battling malignant melanoma which is not responding to treatment. Friends also partnered with the New Haven Scholarship Fund to establish the Jack Paulishen Endowed Scholarship providing the opportunity to continue his legacy and making a huge impact on future students' lives. Paulishen said he was "totally surprised" and "absolutely overwhelmed" to hear from his friends. Despite his diagnosis, he said he feels "incredibly lucky" for the life he's lived.
