

# NEW HAVEN SCHOLARSHIP FUND

Fall 2018

## MEET OUR BOARD PRESIDENT....

Jeffrey "Jeff" Alpert is a 3<sup>rd</sup> generation New Havener, currently living in Westville with his wife of 35 years where they raised 2 children. Jeff is a legacy graduate of James Hillhouse High School following in the footsteps of his father and grandfather.

### ***How did you become involved with the New Haven Scholarship Fund ?***

Bill Dyson, a member of the Board, was teaching at the Sound School with me and invited me to a board meeting. I felt that the goals of the NHSF aligned with my life goal, which is to make a difference.

### ***How long have you been a board member?***

10+ years

### ***You taught science at the Sound School, how long have you been teaching in New Haven?***

I taught one year at the High School in the Community and 33 years at the Sound School.

### ***What are some things you hope to accomplish as president of the board?***

I'm going on my 4<sup>th</sup> year as President. My hope is to heighten the visibility of the NHSF in order to increase our endowment which will allow us to make more funds available to students in an effort to help them pursue their dreams.

### ***How do you plan to do that?***

I have already connected with the New Haven Teachers Union, the Hillhouse Class of '65, the New Haven Fire Dept., Regional Water Authority, the Community Foundation and am currently working on a grant from Key Bank. The goal is to involve more people in the community.

### ***How can people become involved with the NHSF?***

Our website is a great place to start ! [www.newhavenscholarshipfund.org](http://www.newhavenscholarshipfund.org) We welcome help at our awards ceremony in June, and with fundraising and marketing efforts.

*I will be forever grateful to the New Haven Scholarship Fund for helping me to make my dreams come true. Since my counselor told me about the fund, I have thought a great deal about Jean Paton Lovell, and what kind of woman she must have been. I hope I can live up to her high standards. I will do my best to succeed in this goal.*

*Due to living in a single parent household, the issue of money for college has always been a deciding factor in whether or not I would be able to go to college, you all have made it possible for me to be able to go to college. I am very thankful. You have opened doors for me that otherwise would have not been possible for me. I would like to thank you all for making my dreams a reality, and allowing me to be one step closer to becoming a nurse.*

## NEW HAVEN SENIORS RECEIVED \$271,700, WITH AN ADDITIONAL \$60,000 AWARDED TO CONTINUING SCHOLARS!

As the cost of Higher Education rises, donations received by the New Haven Scholarship Fund (NHSF) are crucial in supporting New Haven students in their quest to pursue a college degree. "Our philosophy has always been 'we'll get you started,'" said NHSF President Jeffrey Alpert. The NHSF has been awarding scholarships to New Haven students since 1959 when Hillhouse High math teacher Jean Paton Lovell raised enough money to award eight \$100 scholarships. Since then, through the generosity of its donors, the fund has awarded more than \$9 million to more than 8,000 New Haven students. This year, 197 High School Seniors received \$271,700 at a reception at Career High School. Continuing Scholars also received \$60,000 to support their studies.

Congratulations 2018 scholarship recipients!
